

Update on Implementation of Best Practice Review Recommendations
October and November 2018

Status of recommendation implementation

Irrelevant information

On-track for completion by stated date

Irrelevant information

Irrelevant information

Irrelevant information

The ratings:

7. The response to the recommendation is complete in its entirety (there may be ongoing matters for administration)
6. The response to the recommendation is substantially complete (pending the finalisation of a few matters)
5. Work is underway for the majority of the elements of the recommendation
4. Work is underway on half of the elements of the recommendation
3. Work is underway on some of the elements of the recommendation
2. Some work has been undertaken but continued progress is dependent on the finalisation of other recommendations or activity
1. Initial scoping work has been undertaken.

Rec #	Recommendation	Implementation and Status	Progress Rating
44	<p><u>Public Safety - Resourcing</u></p> <p>WHSQ and the Work Health and Safety Board consider the level of resourcing necessary to address the increasing risk to the public from work activities, and ensure PCBUs, particularly in the tourism, services and health care and social assistance sectors, are complying with their section 19(2) duty to ensure the health and safety of others.</p>	<p>Dependencies</p> <ul style="list-style-type: none"> The research paper in response to recommendation 45 outlines some considerations regarding public safety resourcing. <p>Completed Actions</p> <ul style="list-style-type: none"> An initial scoping paper was provided for the WHS Board's consideration at its 6 March 2018 meeting. A substantial draft research paper examining the interface of work health and safety and public safety was discussed with the Minister's Office on 26 June 2018. This resourcing considerations in this paper, yet to be finalised, need to be further explored. <p>Current/Future Actions</p> <ul style="list-style-type: none"> Recommendation 44 is tied to recommendation 45, and can be progressed pending the Ministerial brief (see below) A summary paper on resourcing considerations, based on the R44/45 research paper, will be provided to the WHS Board after the Minister has considered the R45 Brief. 	<p>5</p> 
45	<p><u>Creation of Public Safety Ombudsman</u></p> <p>Consideration be given by the Queensland Government to establish a Public Safety Ombudsman.</p>	<p>Completed Actions</p> <ul style="list-style-type: none"> An initial scoping paper was provided for the WHS Board's consideration at its 6 March 2018 meeting. A substantial draft research paper examining the interface of work health and safety and public safety was discussed with the Minister's Office on 26 June 2018. The research paper was finalised and forms the basis of a Ministerial Brief specifically addressing this recommendation, which was submitted in August 2018. <p>Current/Future Actions</p> <ul style="list-style-type: none"> A meeting between OIR and the Minister to discuss the research paper was scheduled for November, but has been postponed to a date to be advised. It is proposed that the research paper be tabled at a subsequent meeting of the WHS Board and Electrical Safety Board pending Ministerial consideration and response. 	<p>6</p>
